Since the bowers aren't high cards, capturing them requires a little bit of care when playing.. Also, since there are four left over cards that are not in play, it is possible for one (or both) of the bowers to be 'buried', and thus only four (or three) hand points are available.. (note to Euchre players: resist the temptation to flip the top card!) Game play After dealing, the first player to the left of the dealer has the opportunity to bid for the number of points they'll take in that hand, or they can pass.. Theres wild cards in this game that can come in handy as well as set back cards if.
